

## University of Arizona SNOBOL4 Documents

- UASD1 ●  
*Version 4 of SNOBOL4*. Griswold, R. E. [The University of Arizona]. October 4, 1972. 11 pages. Description of experimental Version 4 of SNOBOL4. Includes features peculiar to CDC 6000 implementation.
- UASD1a ●  
*Version 4 of SNOBOL4*. Griswold, R. E. The University of Arizona. November 15, 1972. 9 pages. Revision of UASD1.
- UASD1b ●  
*Version 4 of SNOBOL4*. Griswold, R. E. The University of Arizona. October 7, 1976. 7 pages. Minor revision of UASD1a.
- UASD2 ●  
*Suggestions for New Features in SNOBOL4*. Griswold, R. E. The University of Arizona. November 9, 1972. 6 pages. List of accumulated suggestions that have been made for extending SNOBOL4.
- UASD3 ●  
*Suggestions for New Features in SNOBOL4, Round 2 - The Embellisher's Delight*. Griswold, R. E. The University of Arizona. November 13, 1972. 6 pages. More suggestions, supplementing UASD2.
- UASD4 ●  
*Suggestions for New Features in SNOBOL4, Round 3 - Gargoyles*. Griswold, R. E. The University of Arizona. November 29, 1972. 5 pages. More suggestions, supplementing UASD3.
- UASD5 ●  
*SNOBOL4 Implementation Project for the CDC 6000 Series*. Griswold, R. E. The University of Arizona. January 22, 1973. 13 pages. Describes background of the SNOBOL4 languages, their applications and implementation. Outlines design of an efficient implementation of SNOBOL4 for the CDC 6000 series of computers. Appendix includes examples of formatting done with SNOBOL4 programs.
- UASD6 ●  
*SNO12, An ASCII Version of SNOBOL4*. Griswold, R. E. The University of Arizona. December 21, 1973. 4 pages. Describes SNO12, the 12-bit ASCII version of the macro implementation of SNOBOL4 for the CDC 6000 series. Includes instruction for use, character set correspondences and known incompatibilities. Appendix lists ASCII graphics.
- UASD6a ●  
*SNO12, An ASCII Version of SNOBOL4*. Griswold, R. E. The University of Arizona. May 9, 1975. 4 pages. Minor revision of UASD6.
- UASD6b ●  
*SNO12, An ASCII Version of SNOBOL4*. Griswold, R. E. The University of Arizona. February 25, 1977. 4 pages. Minor revision of UASD6a.
- UASD7 ●  
*Suggestions for New Features in SNOBOL4, Round 4 -- Ripostes and Reprise*. Griswold, R. E. The University of Arizona. March 27, 1973. 4 pages. More suggestions, supplementing UASD4.
- UASD8 ●  
*SPIDER on the DEC-10*. Griswold, R. E. The University of Arizona. June 10, 1974. 5 pages. Describes the DEC-10 version of SPIDER (see S4PD4a), including changes, new features, and instructions for running the program.
- UASD8a ●  
*SPIDER on the DEC-10*. Griswold, R. E. The University of Arizona. July 3, 1974. 9 pages. Revision of UASD8, including description of additional changes and the performance monitoring facilities.
- UASD9 ●  
*A Guide to the SNOX Source Code*. [Griswold, R. E.] University of Arizona. January 20, 1975. 16 pages. Description of the enhancements made to the DEC-10 SIL implementation of SNOBOL4 at the University of Arizona. Includes list of additional procedures and cross reference to their use.

University of Arizona SNOBOL4 Documents

UASD10 ●

*SNOX — An Extended SNOBOL4 for the DEC-10.* [Griswold, R. E.] The University of Arizona. June 1, 1976. 4 pages. Describes the extended version of SNOBOL4 for the DEC-10 developed at the University of Arizona, including installation and operation instructions.
